Friends Forever

We're joined in a friendship
That time cannot sever
With bonds we have built
We'll remain friends forever.

We're welded in spirit,
attached by our hearts,
We're fused by the feeling
that friendship imparts.

We're tied by emotions,
Connected by dreams,
Reinforced by our hopes,
Unified by extremes.

No matter how distant
We'll always endeavor
To sense the full meaning
of Friendship forever.

Thank you so much my Paloma Sisters. I love you all so very much & will miss you. Good luck take care & Don't forget me cause I'll never forget you.

Reflections of A Lowly Canadian

We are Alone. The skinny kids on The "future" end of the teeter-totter trying to push our way in. Isn't it strange how we, these Ramen-eating, tired, hormonal, over-caffinated, confused kids are on the threshold of being "All grown up". We are told to learn about life. - so we read 10 textbooks a year, pull all-nighters & remember only those late night convo's with each other. The real essence of life. We are constantly changing, growing & adjusting the meaning of "self." But most importantly in the midst of this instability we manage to keep dreaming. And I think, as long as we have dreams & each other to hold onto, we will make it into the future smiling. ☮

Thanks for everything Paloma. I love you guys!

Paloma,

Every night,
wherever you are,
I will tuck you in with
loving thoughts.
Every morning,
wherever you are,
I will wake you with
loving thoughts.
You are so much a part
of me that you are
never, ever far from my heart.
I marrel that I found you
to love.
You mean more to me than
words could ever say,
I will miss you so... and I
wonder, do you know it?

love, ♥ Darla

Because you
are my friend(s),
we have shared
the secrets in our lives
and grown strong.

Because you are my friend(s),
we have sealed a bond
that time cannot remove
and smile a secret smile that
the world shall never understand.

Because having such a friend(s)
is more precious than gold...
I have riches in untold measures
and a heart outside my own
to call home.

Thanks for everything!

You're the Greatest Sisters I've ever had!

See ya next Year!

Regrets

Even though its not my fault,
I'm sorry...

Even though there is nothing anybody can do,
I'm sorry...

Even though I know I can't begin to
understand the pain and emptiness you feel,
I'm sorry...

And I hope you remember,
In your time of sadness,
That I am here, when you need me,
To be your friend. Love, Maula'Ka
